ULTIMATE CITY BREAK

Barcelona. The fusion of old and new is just so incredible in this city.

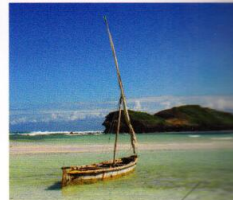

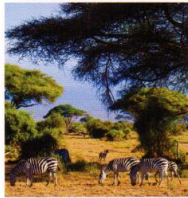

FAVOURITE HOLIDAY MEMORY:

My first holiday alone with my son to the Maldives

FIRST TRAVEL MEMORY

Visiting my grandparents in Kenya. I used to love going there.

FAVOURITE BEACH

An empty beach my friends and I visited on the east coast of Kenya. We were in Lamu and went on a fishing trip in a traditional falaka (fishing boat). We were taken to a place for lunch at a stunning beach that just kept going, with not a soul on it. Incredible.

MY THREE MUST-PACK ITEMS...

- My three must-pack items... A good book for when I do get a moment for myself - it's the only way I can switch off
- My camera. I love to take pictures
- Some music, so many songs bring back great memories
